EXCEPTIONAL MARKETING FOR EXCEPTIONAL HOMES

FINDING A REAL ESTATE AGENT IN OUR REGION IS EASY

BUT WHO EXCELS IN THE HIGH-END MARKET?

Of course, we are a licensed real estate agency, specialized in luxury homes. You can trust our extensive network, our experience and expertise in premium real estate. You can also count on our profound personal commitment.

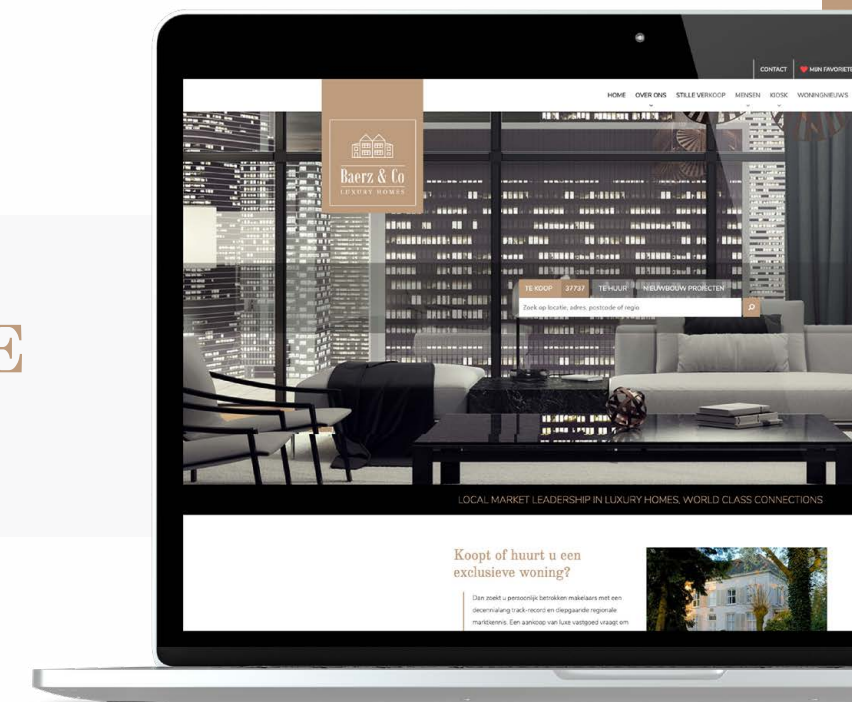

But we believe you deserve more. In order to rise above the service levels provided by other real estate agencies in this area, we are a member of the innovative, (inter) national marketing platform Baerz & Co (www.baerz.com) and its only representative in the region. This offers you substantial advantages.

Our unparalleled marketing strategy sets us apart

We utilize numerous (inter)national sales channels when selling your home. We relentlessly continue where Funda stops.

Our office distinguishes itself by joining forces with dozens of other high-end Baerz & Co realtors, a strong (inter)national network, an extensive and advanced online marketing strategy, deep personal involvement, profound knowledge of the regional market, more than the usual real estate services, and last but not least: passionate hard work!

THE DIFFERENCE CONSOLIDATED STRENGTHS

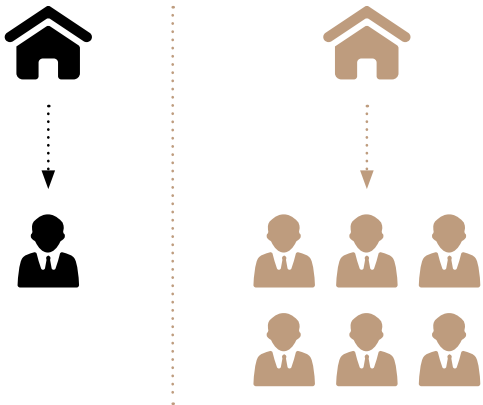

THE FACTS

1

WHY CHOOSE A SINGLE LUXURY HOME REALTOR WHEN YOU CAN REACH THE MARKET THROUGH ABOUT FIFTY TOP DUTCH OFFICES WITH US?

Within Baerz & Co, a select group of prestigious residential real estate agents join forces to reach your goal. Together, they offer you a unique high-quality network.

Which means that through us, you automatically engage all other Baerz & Co agents who are also dedicated to serving affluent clients worldwide, focused on exclusive apartments, urban homes, villas and country estates. Significantly optimizing your effectiveness. All for the same brokerage fee!

2

NATIONAL CONSOLIDATION OF FORCES AND TARGETED MEDIA

When listing an exclusive house, your target group consists of affluent individuals. Traditional national marketing channels such as the Dutch housing site Funda.nl and/or an independent local real estate agency often prove insufficient. As a selected Baerz & Co partner, we can apply a pooled sales capacity. Which means that your property will not only be listed by us, but by all international Baerz & Co network partners. But there is more. Much more.

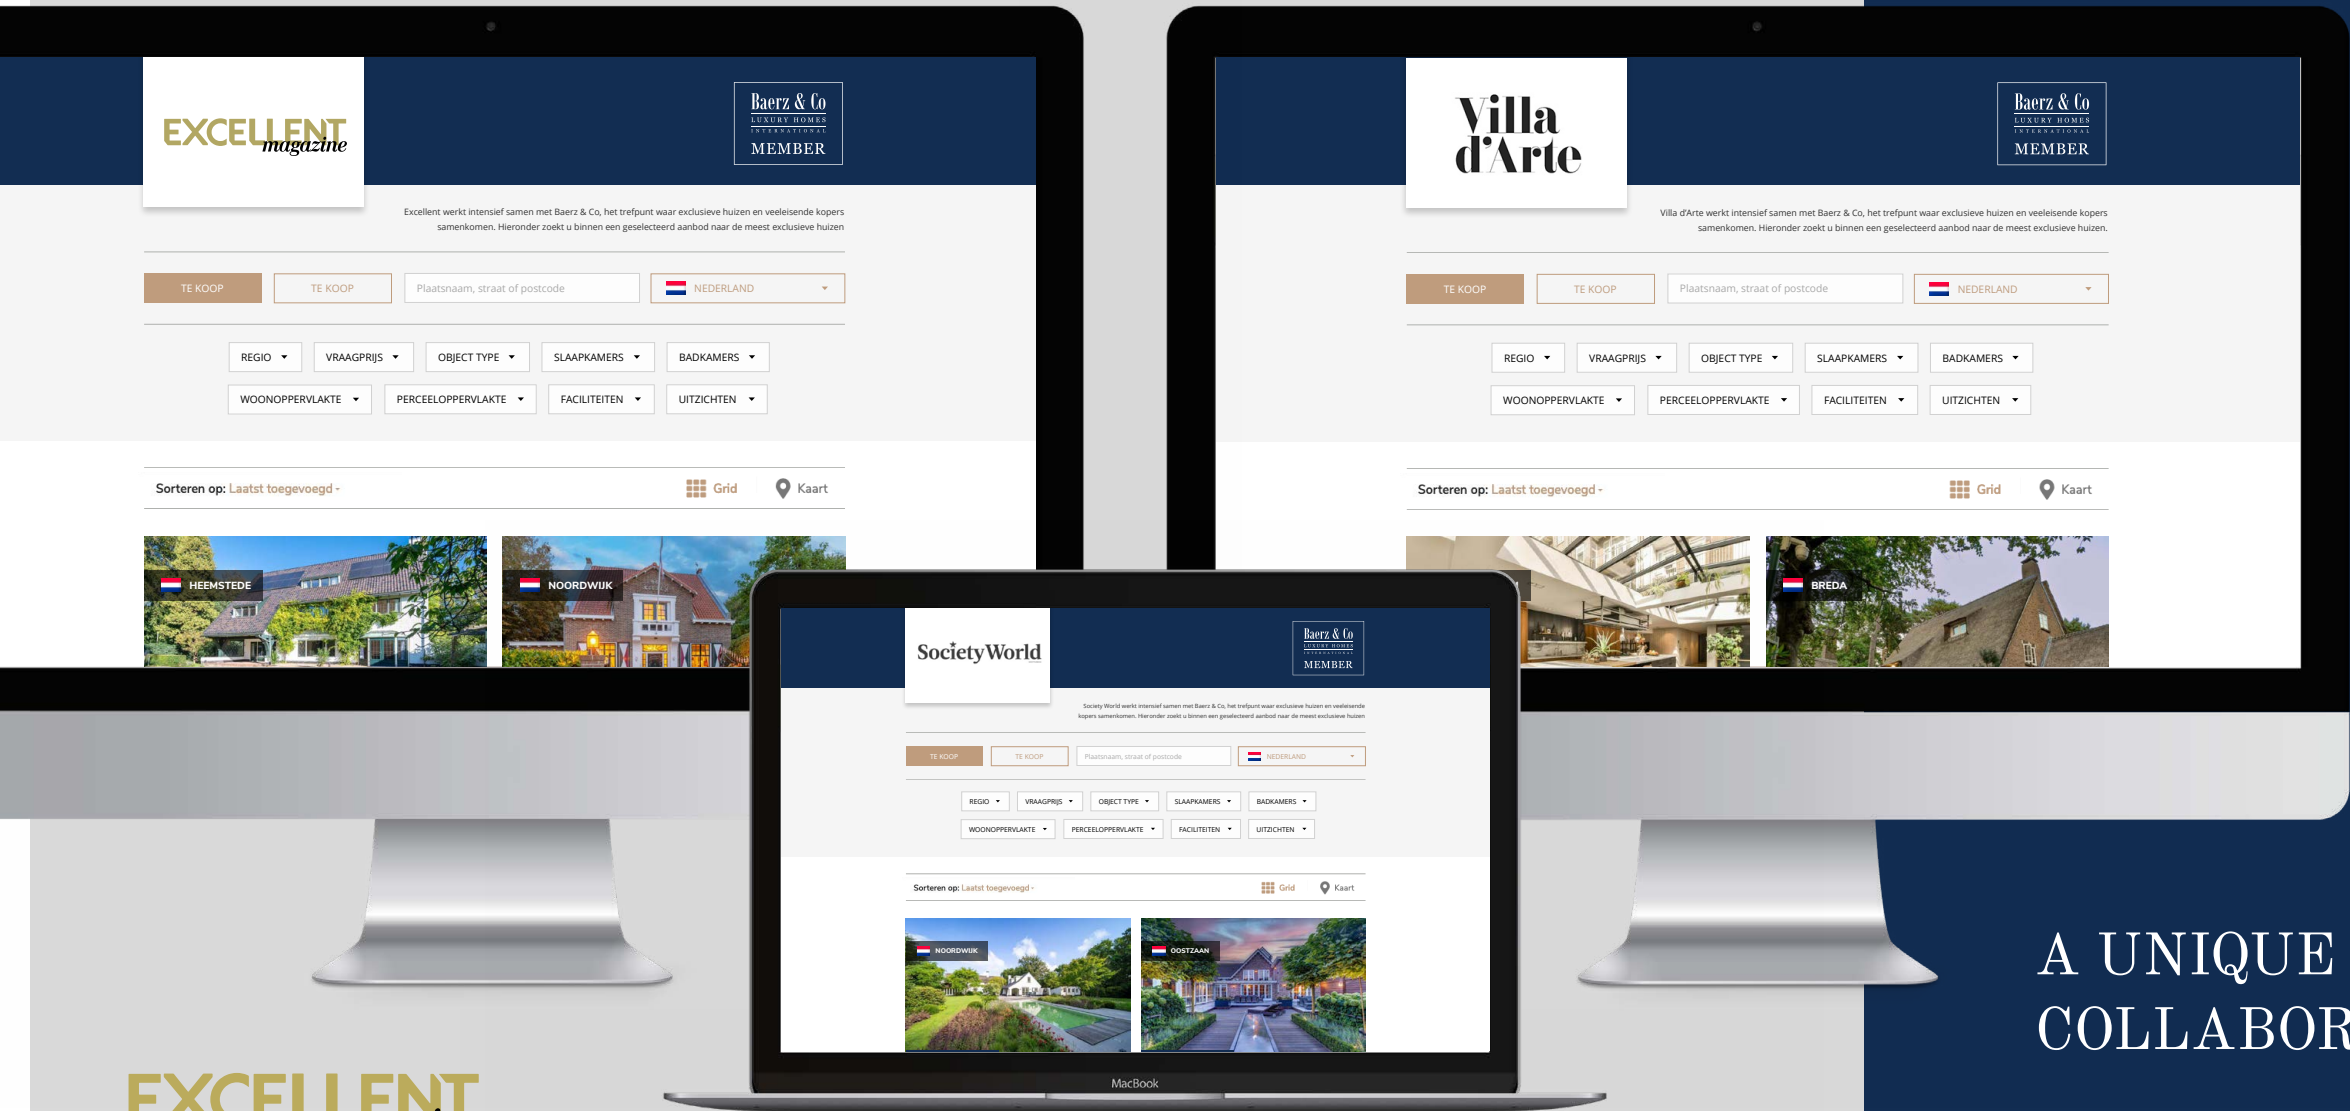

In the Netherlands, we work exclusively with renowned luxury lifestyle and home magazines, and feature your property on www.Villadarte.nl, www.ExcellentMagazine.nl, and www.societyworld.nl.

We have strong visibility on search engines and promote your house on social media platforms such as LinkedIn, Facebook, and Instagram. Additionally, through advertising campaigns, we make a significant nationwide impact in well-known Dutch magazines.

Last but not least: your house is listed for sale on the renowned Dutch luxury home platform www.baerz.com, available in 8 world languages.

IN SHORT:

In The Netherlands, your home will not only appear on Funda and our website, but can also be found via dozens of websites of our partner real estate agencies, the baerz.com portal and many other targeted online media channels.

A UNIQUE AND EXCLUSIVE COLLABORATION

Baerz & Co real estate agents maintain a special partnership with three market-leading 'Lifestyle & Living' magazines in the Netherlands. All these magazines Excellent Magazine, Villa d'Arte and Scotiety World focus on over-35s with an upper average income. The magazines feature a lot of news on architecture, interior design, travel, cars jewellery, gastronomy, art and literature.

The printed editions of Villa d'Arte, Excellent Magazine and Society World are distributed in editions of 70,000, 35,000 and 25.000copies respectively, sold through bookshops and paying subscribers. Baerz & Co advertises in all these editions throughout the year. All titles of course also have their own websites, good for more than 100,000 visitors per month. Baerz & Co's search technology is built into the websites of all these online magazines, so that website visitors can easily search for your property listing.

We, Baerz & Co Members, have exclusive access to these three additional media channels. By applying this targeted media marketing, we achieve increased traffic and high-quality leads.

Baerz & Co and its affiliated brokerage firms are not responsible or liable for the stated numbers of visitors, readers, subscribers, print runs or numbers of websites in this brochure. These may vary at any time. The media partners shown in this brochure are the largest parties to which the platform is affiliated. Behind various labels there are sometimes smaller regionally targeted websites.

in addition to the aforementioned collaboration with Dutch magazines, Baerz & Co also publishes the **Baerz & Co Luxury Homes Magazine**. This publication consists of approximately 300 glossy pages filled with inspiration on luxurious living, architecture, and interior design. It features stunning photography of exclusive homes, interiors, and gardens. Of course, we also provide practical overviews of many top-level suppliers.

Furthermore, Baerz & Co publishes a weekly digital newsletter featuring the latest offerings of exclusive homes.

5

SOCIAL MEDIA; TELL YOUR STORY

We use our Baerz & Co social media service which posts daily. Is there something newsworthy about your property that you would like to share, or do you want to add a 'high light'? We'll use socialmedia@baerz.com to directly publish your information on LinkedIn, Facebook and Instagram. Should you wish more involvement for your property on social media? Would you like to convey the atmosphere of a home amongst potential buyers? Do you wish to distinguish your home from others? Video marketing is the solution! We deliver and host each production within 24 hours;

Accessible to any browser for Interior views, dollhouse views and floor plans.

7

BUYING

The majority of the homes we help our buyers purchase is not available on the open market, so-called 'hidden properties'. Finding and relaying these needles in a haystack calls for more pro-active research and an excellent network. With our Baerz & Co network of ca. 60 real estate agencies, we penetrate deep into the market.

Our motto?

IF WE CAN'T FIND IT, IT'S NOT FOR SALE

Whether you can already give us your detailed wish list regarding location, architectural style or specific features, or only have a general idea of what it is that you're looking for; we always follow your agenda, not our own! We will show you the best properties and prevent you from being faced with unwanted pitfalls. We will quickly schedule viewings of a short-list of selected properties, analyse the pros and cons, the locations and the mind-set of the selling party.

Only when you are ready to take the next step will we come into action and discuss with you what the best purchase strategy is, negotiate on your behalf and manage the entire transaction process.

8

RENTAL PROPERTIES

Our rental specialists only focus on the luxury segment and offer extensive experience combined with an exclusive network. Public listings on the internet have often expired or are inaccurate, just serving to garner attention.

In the higher price range, prospective (foreign) tenants tend not to look online. We assist many of these prospective tenants by taking the complex and often time-consuming process out of their hands. Save yourself the hassle, disappointment and time. We coordinate an efficient, targeted search to find you your exclusive rental home, or will find a reliable upmarket renter for your property. The crux is a tailor-made approach, immense effort and an exceptional level of personal dedication.

SECRET LISTINGS

9

SECRET LISTINGS; BAERZ & CO OPENS DOORS THAT REMAIN CLOSED TO OTHERS

For privacy reasons, one can of course also choose not to offer a property publicly, but through so-called Secret Listings. In all peace and quietness and at your own pace, without prying eyes. The interaction with house hunters takes place behind closed doors. Your property will be included in the hidden offer of Baerz & Co, but only discreetly distributed to our registered nationwide database registered with us. In this way, you reach a selected target group of only serious house hunters.

PRIMEXTATE

We also offer a unique Off-Market method internationally. As Baerz & Co real estate agent, we are a member of Primextate, a European online market place for off-market sales and auctions of luxury homes. This B-2-B platform is private for professionals and not accessible to private individuals.

Primextate offers buyers and sellers of luxury homes a unique online access to its network. This community consists of an unrivalled database of around 500 high-end residential real estate agents across Europe, who can invite their own private clients with discretion and trust can invite them to look over their shoulder. Primextate combines the exclusivity of a closed business club of international real estate professionals with global exposure to qualified buyers and sellers. The online software is fully transparent, giving buyer and seller control over the buying and selling and/or auction process. You select your own price category and search criteria and track all activities in real time.

THE PRIMEXTATE CLUB

The Primextate club of real estate professionals includes:

High-end real estate agencies

Buying agents

Property hunters

Family offices

10 RESTYLE & SELL

Another service we provide in order to market properties that are relatively difficult to sell is our unique (digital 3D) 'Restyle & Sell Service'. We will design, redevelop and decorate your home digitally and upon request, we will even apply for all required building permits. Please ask our office for more information about how we can align your home to better meet the wishes of your future buyer.

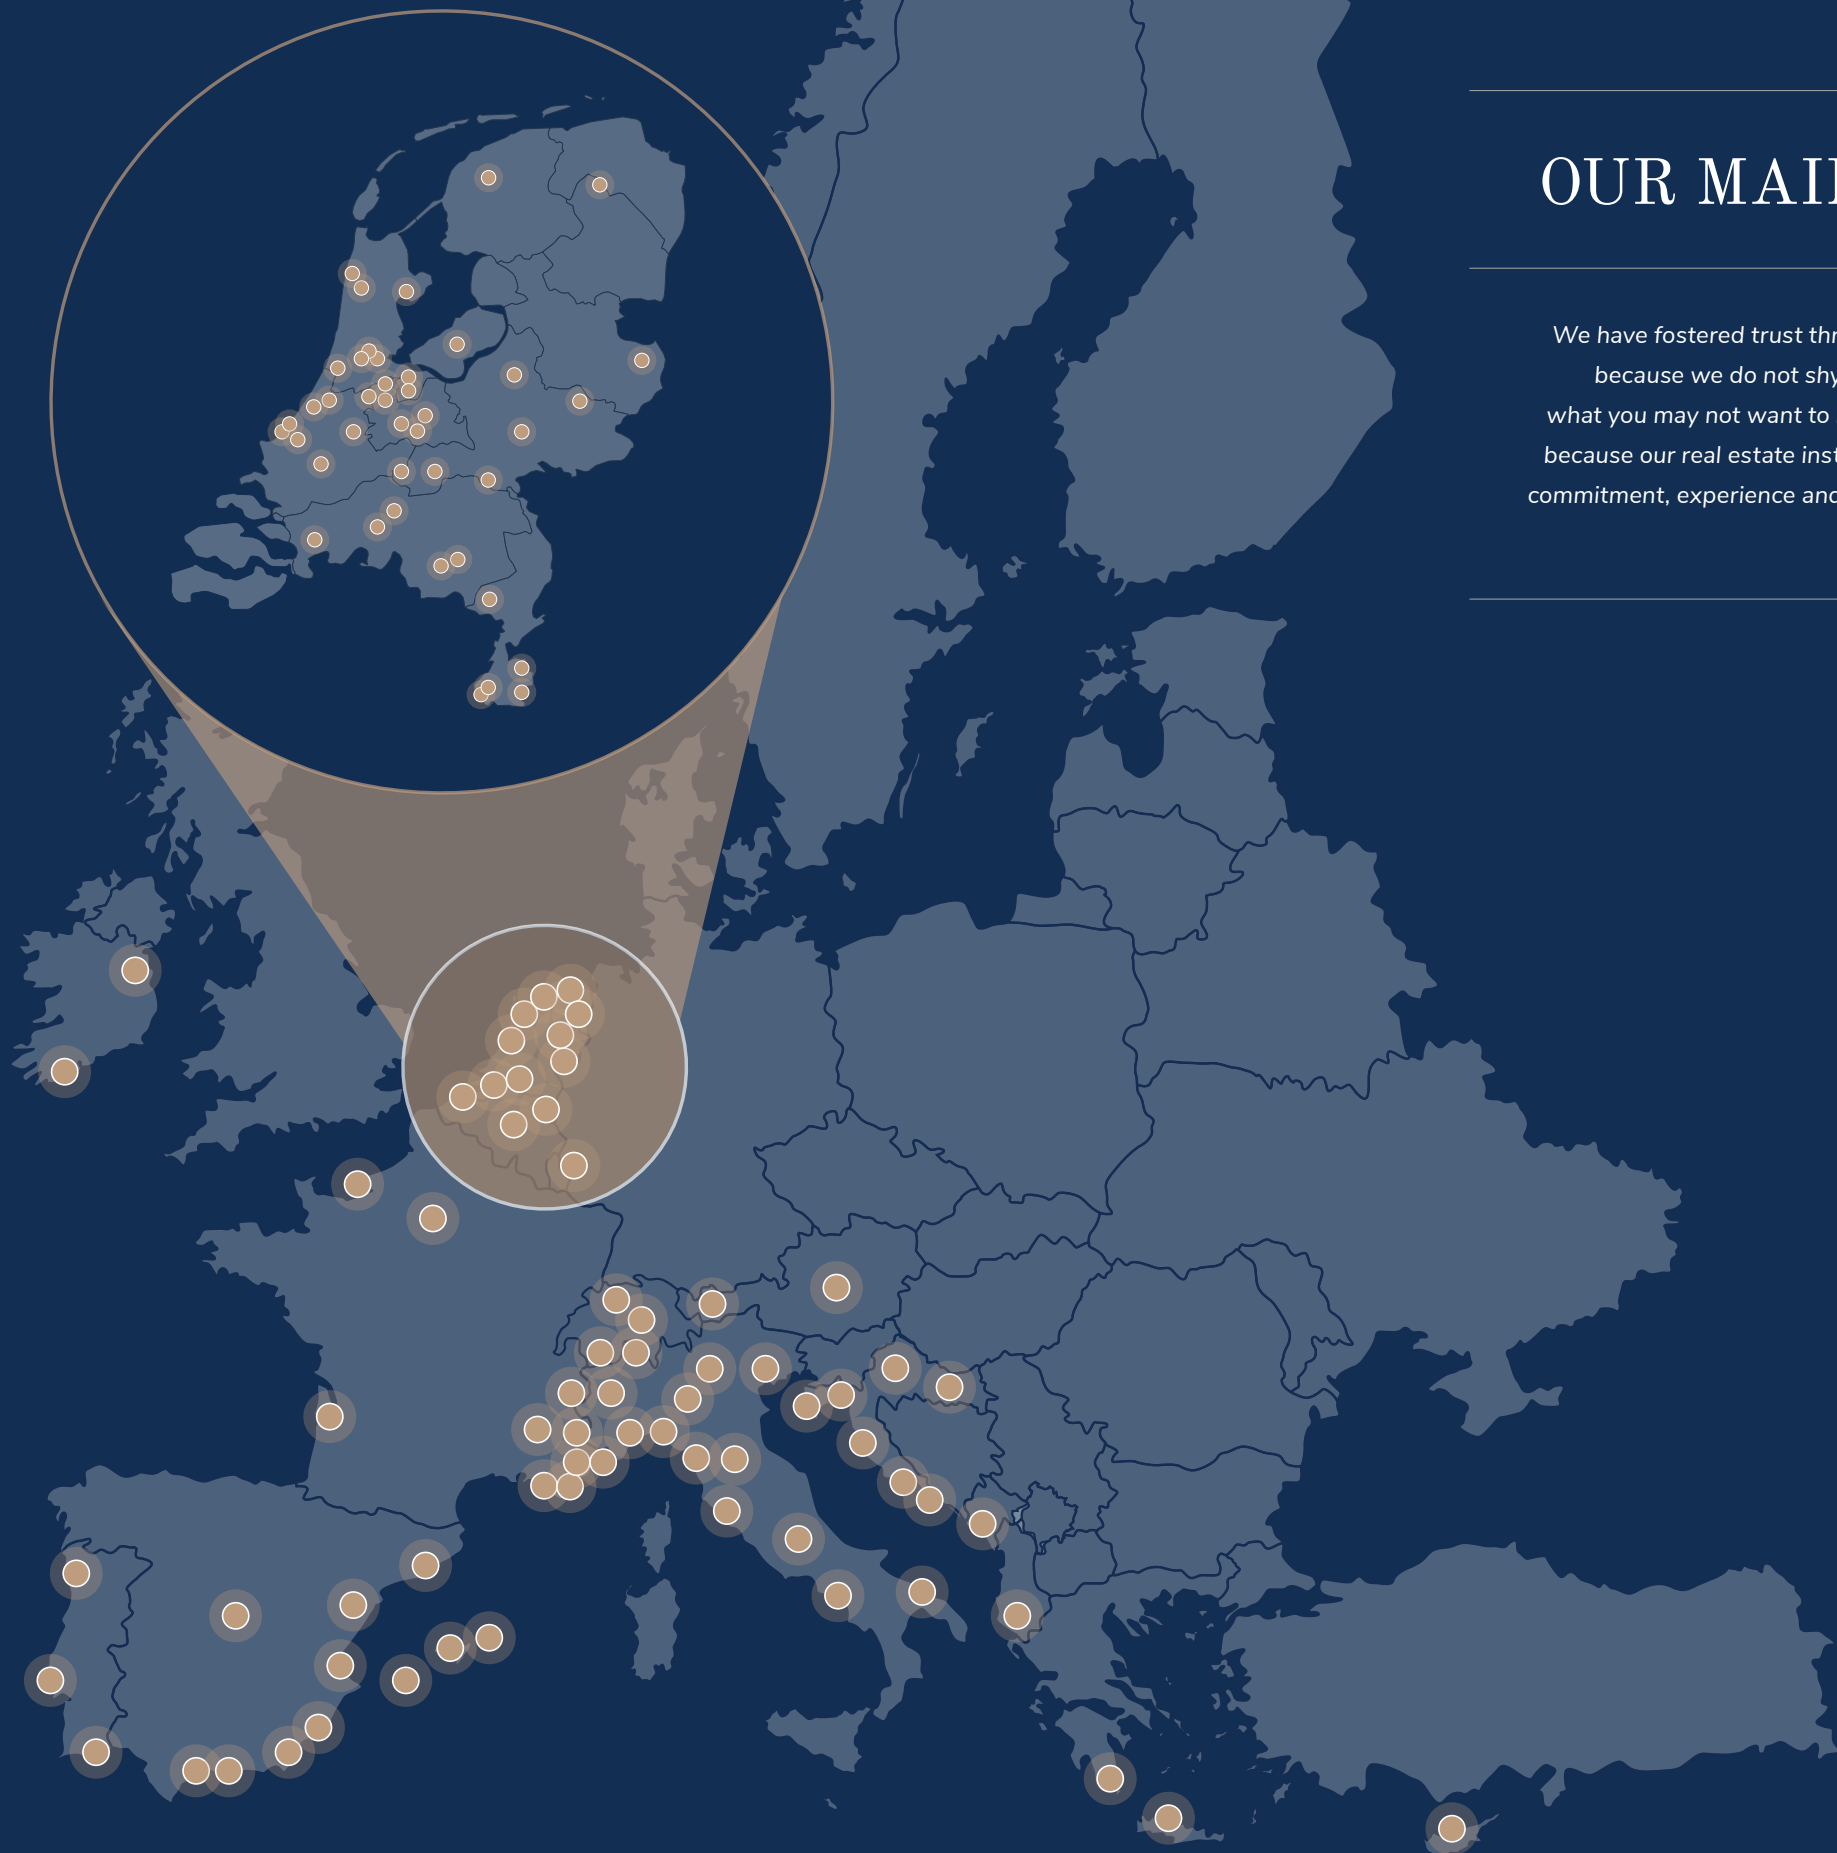

11 TAKING REALTY TO A NEW LEVEL

In addition to our unique real estate and marketing services, as a Baerz & Co affiliated partner we also offer other services. More services than you are used to receiving from a traditional real estate agent. We also channel your search for reliable professionals. Professionals whose services buyers are likely to need and would like to source without losing valuable time or risking expensive financial surprises. After all, our clients prefer a low-hassle process.

Whether this concerns assistance in terms of financial, legal or tax advice, or selecting a partner and turn-key management of architectural matters, new builds, renovations, interior design or decoration or managing complete landscaping projects: our Baerz & Co group allows you direct access to first class market parties in each discipline, see www.baerz.com.

OUR MAINSTAYS

We have fostered trust through our integrity and because we do not shy away from telling you what you may not want to hear. We are confident because our real estate instincts are based on our commitment, experience and thorough expertise in real estate.
